#### REMARKS

The undersigned acknowledges the courteous treatment received during the course of a personal interview held on this date with the Examiner in charge of this application and Primary Examiner Robyn Hylton.

During the interview the undersigned pointed out how the claims as amended distinguished over the art of record. Examiner Lhymn pointed out that the lip structure called for in the claims may not distinguish over Fig. 7 of Abrams 5,799,792. The Examiners agreed that the undersigned could submit a supplemental amendment to clarify the distinctions shown in the drawings of this application. The present amendment is designed to accomplish that purpose.

Claim 11 has also been canceled.

As noted in the previous amendment, the undersigned or Mr. Kroll should be called in the event further changes are to be made to obtain allowance of the application.

A favorable action is solicited.

Respectfully submitted,

LEONARD BELKIN
